**SUMMARY REPORT OF TRUSTEE OF TRUST FUNDS  
FOR THE PERIOD ENDING DECEMBER 31, 2001**

**Not available at time of printing.**

The Library has had another year of increased progress.

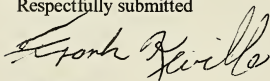

In terms of technology, a second computer has been added for patrons use, and is connected to the internet so that people can check their email and do research. The library also now has its own phone line 539-1537 with an answering machine, so that everyone can check on hours and the availability of books and services.

Physically, the Library has undergone a rearrangement to offer a more open and welcoming floor plan, and to allow for the installation of a Monitor heater to help alleviate the mold and mildew problems that have plagued the books. It has also been thoroughly cleaned, so that the accumulated dust has been eliminated.

The Library has added over 600 new books to its collection, largely through generous donations from individuals, and through a state sponsored program of re-distributing extra or unwanted copies of books from larger libraries.

The Library's goal for the coming year is to increase the number of hours of service, and to continue to build resources acquiring more books, continuing and encouraging the Friends of the Library, and by using our present technology to make the Library a useful and integral part of the town.

Chairman

EFFINGHAM CONSERVATION COMMISSION  
PO BOX 25  
S. EFFINGHAM NEW HAMPSHIRE 03882  
CHAIRMAN LARRY LEAVITT

Chairman Larry Leavitt, Secretary Henry Spencer, filling Fred Van Cour, Education Emelyn Albert, land issues George Mueller, forest issues Steve Gauthier and alternates: John Edwards, Mark Ritchie and Dave Nicholson.

The Conservation Commission would first like to thank the Voters in Effingham for their granting rights of Stewardship over all the parcels of land the Commission requested tile to on last year's ballot.

The Commission has walked over all but one of these parcels, developed definite plans for two of them, and is in the process of further developing plans for the others. The Commission has started to clear the under story brush from the land fronting on Rt. 153 about one mile north of Town house road. Winter has intruded on the process for now, but by next July the job should be finished and those lucky enough to drive by will be treated to an open view, through large white pines, of the wet land as it runs all the way to Parsonfield Maine. Once the clearing has been accomplished, the Commission plans to build a deck on the edge overlooking the wetland and clear off and grade a short trail from roadside to the deck. The Commission feels that doing this will offer residents of Effingham a fine opportunity to enjoy an excellent view and the chance to see many of the birds and small wildlife that share our town. One of our members who helped with the clearing already reports seeing a hawk chasing its dinner, in this case a blue jay, a large bared owl, an otter and numerous small birds.

The Commission hopes to develop an educational walking trail on the parcel of land on Town house road. There already exists a fine dirt road through the property, with many opportunities to educate our residents on logging practices, tree identification, typical forest types and wildlife habitat in Effingham. The Commission has plans to clear off a small section at the end of the road creating a field suitable for the planting of crab apple trees from the State for winter turkey and deer forage. We also hope to develop a small camping area for the use of any future scout groups that parents in town may start up for our young people.

The Commission has had discussions concerning the Province Lake frontage in some depth and hopes, this year, to start developing ideas for a canoe launch and sunset viewing deck on the property.

Other projects that have kept the Commission busy include, sending Effingham School kids to summer camp, last years Earth Day cleanup, recruiting new members, gaining education for our members, and working on making the Commission more active in our community.

The Commission asks all of you who may be interested in helping on any of our projects to please contact Chairman Larry Leavitt. We can always use the help and will always appreciate your participation.

The Historic District Commission would like to thank Natalie Lourie for her years of service to the Town of Effingham and specifically the Historic District Commission. She was instrumental in the creation of the Commission in 1987, after concerns of preservation during a large housing boom. She served as Chair of the Commission until her move to Tufonboro after the sale of her house on Lord's Hill. The Commission expresses its best wishes for her and her family.

The Historic District Commission meets the Second Wednesday of every month at the Town Hall. Our goal is not only the preservation of the buildings that exist in the two Districts, but also the preservation of its atmosphere. Effingham's intrinsic value rests in its natural setting and its historic buildings. The preservation of those qualities is what Commissioners examine when making a decision that comes before the Board. Applications came before the Commission in 2001, and all were successfully processed.

The Commission is investigating of possibility of placing signs at the borders of both Historic Districts, so the boundaries of the two districts may be pointed out to those driving through Effingham.

The Commission is always looking for interested parties. While we are an appointed Board, and interested parties must apply to the Board of Selectmen, we invite any and all to attend, whether they have business before the Commission or are perhaps interested in joining.

Respectfully submitted,  
William Stewart, Chairman  
Historic District Commission

## EFFINGHAM PLANNING BOARD

### EFFINGHAM PLANNING BOARD YEAR 2001 REPORT

The Planning Board has been working on several projects this year. The Master Plan, one of our primary responsibilities as designated by the State, took up alot of time and is still far short of our goal. We also initiated work on a Capital Improvements Program this year. Toward achieving both those ends, we conducted a taxpayer survey and although participation in the survey was not at the level we had hoped, we will be using the results as a preliminary indication of taxpayer opinion in writing both the Master Plan and CIP. Probably another survey will be conducted in the upcoming year.

We also finally put down as a permanent record some elementary procedures for conducting public hearings as well as clarifying a fee schedule for Planning Board services such as subdivisions, mergers and lot line adjustments.

Work is currently being done in updating the subdivision regulations. They haven't been updated since 1987. We expect to have the work done this spring or early summer.

In addition, we have prepared a class VI road policy to recommend to the Selectmen for their adoption. This policy specifically addresses development on class VI roads within the Town.

Two changes were proposed to amend the Telecommunications Ordinance to clarify it and to bring it into better compliance with federal statutes.

And we handles services for taxpayers. We had one subdivision in town this year, one merger/lotline adjustment and reviewed the proposed site plan for the cellular tower proposed to be located on Highwatch Road. Fees for these services totalled \$811.00.

We still have alot of work ahead of us and we appreciate your support and participation! Our meetings are the first Thursday of every month and usually begin at 6:00 pm. We welcome you attendance and hope that some of you will consider serving on the Board this year either as alternates or full members. The Planning Board is exactly what the name implies: if you want to help guide our town into this new millenium, build the tax base and protect those things we all love about this area, the Planning Board is the place to do it.

## LAKES REGION PLANNING COMMISSION

With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the Lakes Region Planning Commission (LRPC) provides a wide range of planning services to its members. Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government, as well as special studies. LRPC is contacted many times each week for answers to local issues. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

Here are a few of our accomplishments over the past year:

- ❖ Mailed to local officials the data collected at the Department of Transportation traffic count site on Iron Bridge Road over Pine River.
- ❖ Answered an inquiry regarding the responsibility of inspecting reworked manufactured housing for compliance with HUD standards.
- ❖ Reviewed Effingham's Site Plan Regulations, as well as recommendations, on proposed zoning amendments for the March 2001 town meeting.
- ❖ Furnished the town with information on the effects of abolishing zoning and the potential impact to the Historic District Commission.
- ❖ Provided the Planning Board with a review of the proposed warrant articles for March 2001 town meeting.
- ❖ Provided information to the Planning Board regarding the creation of local impact fees.
- ❖ Ordered and delivered to the Effingham Planning Board twenty-two copies of the 2000-2001 NH Edition Planning and Land Use Regulation books at considerable savings.
- ❖ Completed the Lakes Region Transportation Improvement Program and forwarded a prioritized list of projects to the NH DOT as part of the biennial update of the NH State Transportation Improvement Program.
- ❖ Coordinated the 16<sup>th</sup> annual Household Hazardous Waste Collection, with nearly 2,400 households from 27 communities participating. Over 16,000 gallons of toxic household products were removed.
- ❖ Performed approximately 130 traffic counts and several local road inventories in cooperation with the NH Department of Transportation.
- ❖ Completed the Region's first digital land use map, which is available to local and regional organizations.
- ❖ Updated the *Development Trends in the Lakes Region Annual Report* using survey data.
- ❖ Provided administrative and technical support to the Pemigewasset River Local Advisory Committee leading to the completion of the draft Management Plan for the Pemigewasset River.
- ❖ Located childcare centers, assisted housing, public transportation, and major employers across the region to assist with local and regional development planning.
- ❖ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provided a legal perspective on "The How, Who, What, Where, and Why Plans"; "Towers, Traditions, and Topless Dancers"; and "Innovative Land Use Regulations".

- ❖ Entered into an Agreement with the NH Office of Emergency Management to prepare two pilot all hazard mitigation plans. These plans are used to facilitate mitigation funds from the federal government.
- ❖ In cooperation with the Society for the Protection of N.H. Forests and the University of New Hampshire, initiated data collection for new municipal conservation lands.
- ❖ Prepared and hosted citizen education workshops on How to Prepare a Master Plan, and Planning Board Processes and Procedures.
- ❖ Convened four area commission meetings that focused on transportation, historic preservation, Main Street, and groundwater, highlighted by a nationally renowned planning expert at the summer annual meeting.
- ❖ Organized National Flood Insurance (NFIP) workshops for local officials.
- ❖ Prepared an innovative land use and transportation Power Point presentation for local communities focusing on sprawl reducing and community building strategies. The presentation can be customized and made available to any community, upon request.
- ❖ Coordinated the Lakes Region Household Hazardous Product Facility Committee to examine the possibility of siting a permanent household hazardous product facility.
- ❖ Continued to organize and convene meetings of the LRPC Transportation Technical Advisory Committee to improve transportation planning.
- ❖ Completed Plan 2000, an update of the Lakes Region Transportation Plan, the policy plan for the region's transportation network.
- ❖ Completed a survey and report on issues that affect home based employment.
- ❖ Hosted a statewide meeting to discuss the update of the NH DOT Rail Plan.

We look forward to assisting your community in the future.

## EFFINGHAM ZONING BOARD OF ADJUSTMENT

This being our first full year with a ZBA. We have had 12 regular meetings and 18 hearings or work session- meetings. This has consumed an awful lot of time for everyone concerned. As a board we all work out of our home as well as at the town hall. So, we put in many hours in a years time. We meet on the first Wednesday of each month at 7:00 p.m.

During 2001 we had 2 cell tower applications to hear plus the other smaller requests for variances and special exceptions. I think there were 11 hearings total for the year.

Members of the board attended training sessions in Meredith last spring and last fall to update us on various changes in the zoning rules and regulations. These are put on by the Lakes Region Planing Commission.

We lost 3 members part way through the year. Greg Clough (chairman) sold his house and moved out of town. Susan Slack had to leave us as her work required more of her time. They both will be missed. Chip Johnson left town to attend flying school in Florida. That all required me to move up from vice chairman to chairman. David Seamans was voted as vice chairman. Jory Augenti stayed as is. Henry Spencer moved up from an alternate to a regular. Don Lachance was elected to the board in March and is our minutes and tapes secretary. Pat Leonard came on as an alternate. She does our outside corresponding for us.

We ran an ad in the newspaper for alternates last summer and got no results. If there is any resident of this town interested in becoming an alternate to the zba please contact any of the present members and we will proceed in making you an alternate.

We are also looking for someone to take minutes of meetings and hearings, man the tape recorder and transcribe the hearing tapes. Again if there is anyone out there that's interested in this position please contact any zba member for further info.

## EFFINGHAM VOLUNTEER FIRE DEPARTMENT

The Effingham Volunteer Fire Department in 2001 had 21 members, of which 5 are junior members. The department has a membership of men and women. It is always great to have juniors and young adults interested in the department.

We had 12 business meetings, several special committee meetings and trainings.

Finally after two years of phone calls and paper work we have the permission to install a dry hydrant on Town House Road in the summer of 2002. All dry hydrants are tested semi-annually. The 2001 tests were excellent.

The department upgraded some of the turn out gear and personal pagers. The department added a new cutter-spreader to the extrication set up.

The department would like to thank all property owners in the cooperation with the department when necessary. As always the department would like to hear from any interested residents in becoming a member including junior members.

We had a total of 69 calls in 2001, listed below:

Structures	4	Chimney Fires	0
MV Accidents	14	Mutual Aid	9
Woods Fires	4	Alarm Activation	25
Hazmat Calls	1	Wires Down	4
Electrical	1	Car Fires	1
Assist Rescue	1	Smoke in house	5
Flooded Basement	1		

Thank You,

Richard W. Thompson, Chief 539-6370

Sonny English, Deputy Chief 539-7484

Brent Rogers, Assistant Chief 539-2489

## COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, **NOT** a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **Only You Can Prevent Wildland Fires.** Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at [www.nhdfl.com](http://www.nhdfl.com) or call 271-2217 for wildland fire safety information.

## EFFINGHAM RESCUE UNIT, INC.

The following is a list of toned emergency calls for Effingham Rescue in 2001:

- 58 Medical Aid
- 12 Motor Vehicle Accidents
- 12 Assist Effingham Fire Department
- 1 Medical Aid at Lakeview
- 2 Mutual Aid Requests
- 13 Paramedic Intercepts/Mutual Aid Requests

Of the above-listed responses, 14 required Advanced Life Support by one of our two paramedics. Effingham Rescue transported 27 patients, MedStar EMS transported 22 patients, 28 patients refused transport, 1 patient was transported via private vehicle and 1 patient was taken into protective custody by the Carroll County Sheriff's Department.

As always, Effingham Rescue has received many generous donations during the year. Our squad received numerous memorial gifts from the friends and family of William "Bud" Applei, who died June 22, 2001. "Bud" was the father of ERU's Captain, Jim Applei.

Our squad members remain dedicated in our continuing efforts to deliver quality emergency medical services to the townspeople of Effingham and the surrounding communities. We are most grateful for the support received at last year's Town Meeting and throughout 2001. Thank you.

Respectfully submitted,

Andrea S. Hubbard  
Secretary/Treasurer

## Town Report

The Visiting Nurse Association-Hospice of Southern Carroll County & Vicinity, Inc. has been providing home health care services in this region for over 55 years. We are an independent, not-for-profit Agency that is licensed by the State of New Hampshire and certified by Medicare. The Agency has three main programs that could provide services to an individual throughout their whole lifetime. The three programs include Home Health Care, Hospice Care and Maternal Child Health Care (MCH). We are proud to provide skilled nursing care, psychiatric nursing care, physical therapy, occupational therapy, speech therapy, social work, personal care, homemaking services and companion and vigil services through our volunteers. Our Hospice Program also includes counseling services, sudden death care, bereavement care and spiritual care.

The goal of VNA-Hospice is to provide all the residents in Southern Carroll County and Effingham with the best home health care and hospice care available in the comfort of their homes. The Board of Directors and the staff of VNA-Hospice want to thank the residents of Effingham and all of our other service area towns for their continued support. We would not be able to provide the level of services that you or your loved ones need and deserve without this support.

There are over 65 people employed by the VNA-Hospice including our office staff and professional staff. The main office is located at Huggins Hospital and is open from 8:00 a.m. - 5:00 p.m., Monday thru Friday. The staff made over 35,000 visits this past year.

Home Care Visits	413
Hospice Visits	289
Maternal Child Health Visits	64
<b>Total Visits Made to Effingham Residents</b>	<b>766</b>

The VNA-Hospice continues to try and be a health care advocate for your health care needs at the local, state and national level. We maintain memberships in national and state organizations and even more important we maintain relationships at the local level in such groups as Service Link, Committee on Aging, Health Education Network, Health & Wellness Council of Southern Carroll County, Winnepesaukee Coalition and Meals on Wheels.

Thank you for being there for us. We are proud of our relationship with Effingham, and will be glad to provide you with all of your home health care - hospice care needs.

To the SELECTMEN and RESIDENTS of the Town of EFFINGHAM

The Carroll County Community Contact office is a private, non-profit Community Center for Family Services and Referrals that was established in 1984, operating from our base at 5 Folsom Road, Center Ossipee, New Hampshire. We have nine regularly scheduled satellite office sites located throughout Carroll County.

The Carroll County Community Contact office has provided services for 612 of Effingham's residents, processing 81 fuel applications, 21 being elderly, 191 receiving fuel benefits and linked 319 with other Community Action Programs.

## **TRI-COUNTY COMMUNITY ACTION HAS SPENT \$65,073.54 ON EFFINGHAM CITIZENS BETWEEN JULY 1, 2000 AND JUNE 30, 2001**

Community Contact is dependent upon funding from your town and neighboring communities county-wide to provide necessary services for the less fortunate citizens in our communities. The local funds are combined with the Community Services Block Grant, Fuel Assistance, New Hampshire Emergency Shelter Grant, Homeless Programs, EFSP, McKinney, and private and corporate benefactors. We also are the conduit through which the USDA Surplus Food is distributed to the 10 food pantries and 3 dinner bells, a group home and a nursing home throughout Carroll County in order to serve our residents.

Carroll County Community Contact is known as a family friendly agency. Our staff has the trust of the entire county. We are able to successfully partner with individual families and assist them one-on-one to identify barriers blocking the way to self-sufficiency and the resources to overcome these barriers. We provided information, referrals and assisted with advocacy for more than 16,716 households in Carroll County last year.

We have greatly appreciated the support, cooperation and partnership with your elected officials, staff, and residents, as well as other social service agencies, and our clients.

Much appreciation,

Marge M. Webster

Report to the People of Council District One  
2002

by Raymond S. Burton  
Councilor - District One  
State of New Hampshire

Executive Councilor  
District One

The Governor and five member Executive Council are very much like an elected "Board of Directors", who along with 294 Commissioners and Directors, administer the laws and budget as passed by the New Hampshire General Court (House and Senate).

We perform a variety of Executive Branch functions, such as, general supervision of all state departments and state expenditures, pardon matters, eminent domain, state contracts and leases, public waters, the planning of the Transportation 10-year plan, and confirmation of the Governor's nominations to the Judicial Branch of your NH State Government (for a complete explanation, please contact my office).

As we look into the immediate future, I would encourage all citizens to be in contact with all of us in your elected representative bodies, at the local, state and federal levels. We cannot truly represent you if we do not know of your ideas, concerns and aspirations.

If you are interested in serving on a volunteer commission or board, please contact my office at 271-3632 or Kathy Goode, Director of Appointments and Governor Shaheen's Liaison to the Council at 271-2121. The District Health Councils are always looking for members; if interested, please call Lori Real at 1-800-852-3345 ext: 4235 and request a packet of information about what this key planning process is all about. All of the Governor and Council appointments to Boards and Commissions are listed in the Webster System at [webster.state.nh.us/sos/redbook/index.htm](http://webster.state.nh.us/sos/redbook/index.htm).

We need to work our NH Congressional Delegation in Washington. Senators Judd Gregg and Bob Smith and Congressmen Charlie Bass and John Sununu all have strong and powerful committee assignments and are well connected to do more for NH. We need to let them know what is needed for our localities and regions, so ring their bell . . . Senator Gregg at (603) 225-7115; Senator Smith at 1-800-922-2230; Congressman Bass at (603) 226-0249; and Congressman Sununu at (603) 641-9536.

It is a pleasure to serve you. Please contact my office for a listing of toll free 800 numbers and a copy of the newly printed NH Constitution. Always know that I am ready to assist you, your town and region.
