## 2014 Civic Recognition Awards

As seen Left to Right

**Gwen English** received the **Employee** of the Year award

**Deanna Amaral** received the **Elected Official** of the Year award

**William Piekut** received the **Volunteer** of the Year award

**Kathy MaGuire** received the **Special Citizen** of the Year award

These awards were presented in October with several friends, family and officials from our Town Boards in attendance during an evening reception following the Board of Selectmen's weekly meeting. These individuals were chosen by a vote of the Town's board and committee members, elected officials and employees.

The Board of Selectmen would like to congratulate these individuals for being outstanding and a great asset to the Town of Effingham. It takes many individuals such as these to make "our" town such a wonderful place to call "home". We once again thank these four recipients and look forward to honoring our next group of elected recipients in 2015.

## Selectmen's Report

This year saw the completion of three large projects in town. The needed changes at the town's transfer station were finally completed. The installation of two new compactors, allowing for the instigation of single stream recycling, has meant the town is spending less on hauling fees. Additionally, a new attendant's shed was constructed to provide a habitable space for the crew at the station to operate from, and it houses a bathroom and running water. This means the town will no longer be spending over \$100 a month to rent a portable toilet. The town also purchased a large shipping container for the storage of tires and electronics, which will represent savings on container rental fees spent in the past. Many thanks to the crew at the station for doing such good work and for doing it with such good will.

Another large project was the installation of a new salt shed. While there are no monthly savings associated with the new shed, the inevitable eventual collapse of the old salt shed is no longer a worry. Many thanks to selectman Lawrence Edwards and Mr. Michael Cahalane for all the work they did to ensure this new building was constructed on time and for less money than the town voted to spend on it.

The four phase Town House Road project was completed as planned, with a final surface coat added to the entire three miles of road previously reconstructed and paved with a base coat. Some progress has been made on upgrading problematic sections of Granite Road. We plan to continue in the reconstruction of Granite Road in 2015. The selectmen are also working on establishing a long-term plan for upgrading and maintaining the town's other roads.

There has also been significant improvements made at Fire Station 2. The installation of a new and more efficient heating system and significant remodeling of the inside of the station mean savings in energy costs and a better use of floor space. Thankfully, the department has had many firefighters willing and able to provide the construction labor at no cost to the town. Weekly reports from chief Burbank prove that comprehensive training of members is ongoing. Record keeping, inspections and inventorying of equipment is regularly taking place which provides valuable information regarding departmental assets and fire department activities to selectmen. The Fire Warden gained responsible possession of a State owned wild fire response vehicle for use by the Fire Wardens service.

A request for voter approval to purchase a new, more versatile and efficient multi-purpose pumper fire engine is on the warrant this year for consideration, with the release of capital reserve funds to fund the purchase of this new vehicle.

There were also many improvements made at the Library which have proved to be successful in improving the efficiency of the heating system. Through grant monies, the town was also able to

upgrade a library rest room for handicapped access. Other grant monies also provided the funding for new shelves in the children's and teen rooms.

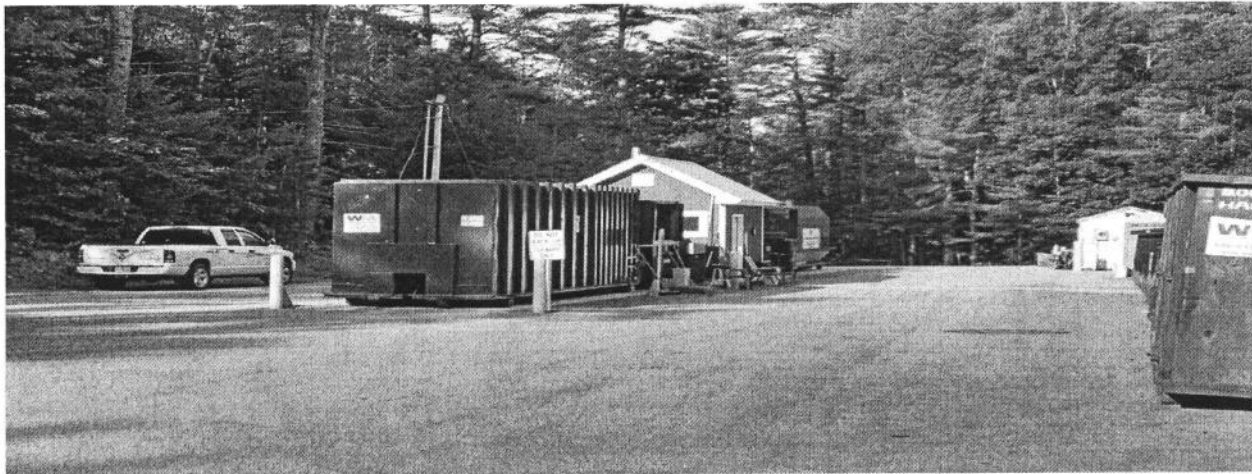

As Chairman of the Board of Selectmen I would like to thank our police chief Timothy Butts for the professionalism, experience, knowledge and effort he and sargent Tony Saco have put into not only helping to ensure our resident's safety, but also for the sense of personal responsibility and pride they take in doing so. They and our other police department members exemplify true public service.

Thanks is also given to the staff at the selectmen's office. Administrative assistant Claudia Lamphier and assessing clerk and office assistant Gwen English, each have fully met their job's technical requirements while at the same time serving the public at the window and on the phone. They represent the face of the board of selectmen that most people know. If a smile and a polite, correct answer is enough to make a resident happier about their reason for coming to our office, our staff has met their goal. Their gracious understanding of residents needs, concerns and problems is an asset stemming from both personality and professionalism. We are also fortunate to have the extensive expertise and williness to serve exhibited by our Zoning Enforcement Officer, Rebecca Boyden.

Many thanks to the members of all the boards in town for the time and effort they have put in, to ensure that business in Effingham is run in compliance with State statutes and local ordinances, and that residents coming before them are dealt with politely and fairly.

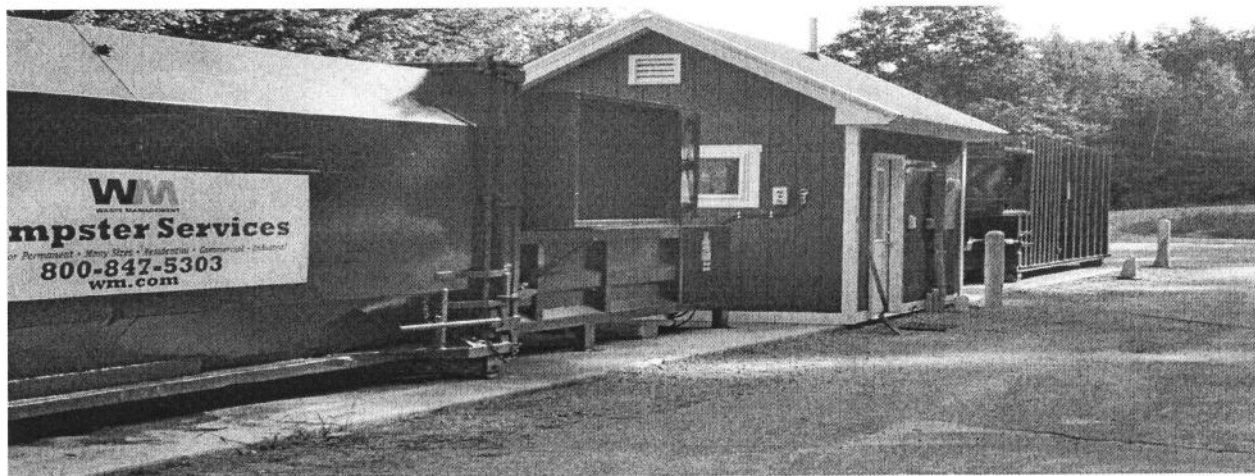

Finally, as chairman I want to thank both of my fellow selectmen Tim Eldridge and Lawrence Edwards for all of their time and effort. Mr. Edwards was instrumental in work on the salt shed and has gone a long way in working towards improving the operations and mapping of the town's cemetery off Hobbs Road. He has also shown a quick willingness to pick up a tool and do a few odd jobs around town, while serving in his first year of his first term as selectman. Selectmen Eldridge's past experience in what it takes to run a town has been invaluable. He has developed most of the boards operating policies and procedures, employee job descriptions, contracts and written project specifications. He provides a level of business knowledge that is critical in the planning and implementation necessary in conducting the business of the town and has guided the board in keeping on the burner those things that need doing.

Henry Spencer, Chairman of your Board of Selectmen

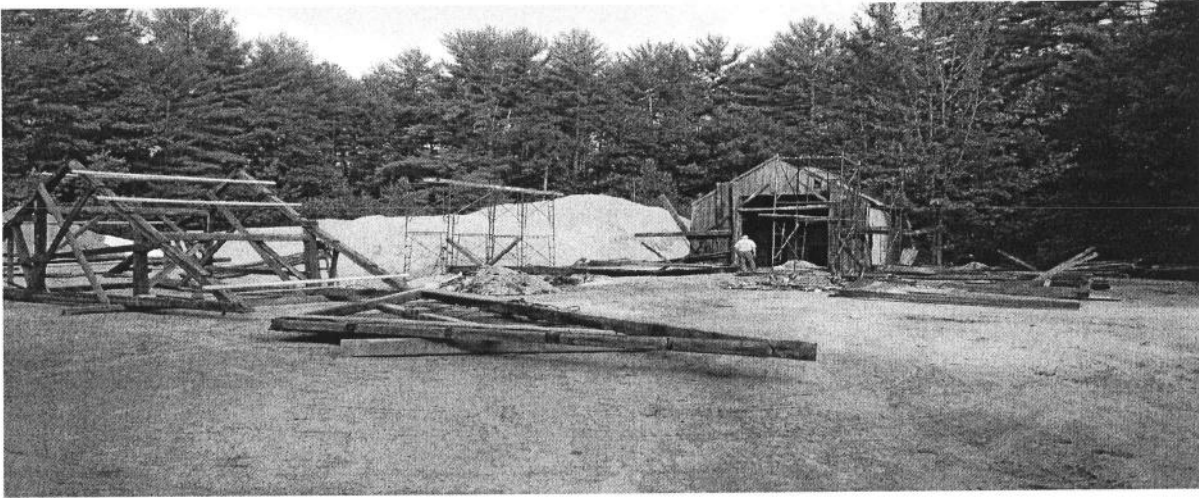

## Transfer Station Project

We completed the transfer station project in 2014. One of the most significant changes was the addition of running water. In fact, we "hit" so much water we could not cap it right away. We now have sanitary conditions for our staff which meet the requirements of the Department of Labor and the Department of Environmental Services, and the means to deal with most everyday spillage events that require cleansing. While it took a bit longer to complete than we anticipated, the end result brought about all the improvements we had planned. The new improvements are expected serve the Town for many years to come without further expense. A big thank you to all that helped in the planning and implementation of the project.

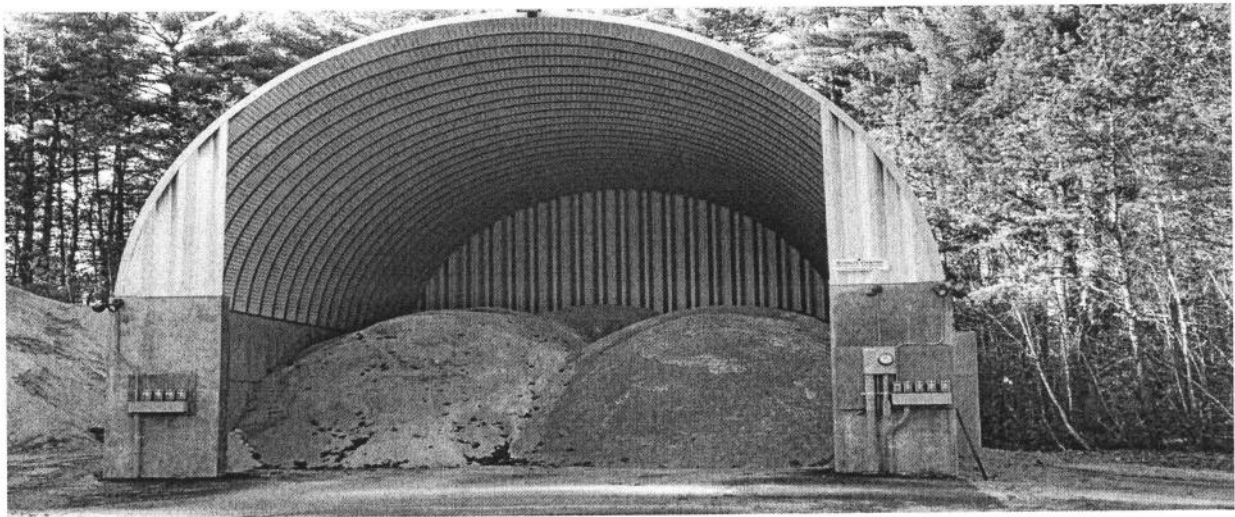

## Salt Shed Project

On time, without event and under anticipated cost, the old salt shed was removed and the new one is up and serving the town this winter. This project was another collaborative effort of many, from the inception of the capital reserve fund in 2003 to the planning, building and oversight of the project. This new structure is a long term investment which is expected to meet the Town's salt storage needs for the foreseeable future.

## Town of Effingham Zoning Office

The number of Building Permits stayed about the same in 2014 but there was a marked increase in permits for projects that had been completed without a permit. 88 letters were written to property owners who put up a structure without a permit. A total of 86 permits were issued. Three applications were rejected due to the project not meeting the regulations.

## GENERAL ASSISTANCE YEAR END REPORT

This has been a busy year as many families saw changes in their status which in turn caused them to seek help from my office. My clients once again were impacted by the states reduction in program funding which in turn impacts the town's budget. The electric company is seeking another rate increase this year which impacts everyone. There are electric programs available to low income and the elderly so please check the town halls information kiosk. I have placed pamphlets with information on a variety of different subjects for all the towns' people. The food pantries have been heavily used by our town's people and are a good way to supplement what they end up lacking. Effingham residents can go to Freedom or Wakefield. Check the town's website for hours and days of operation or pick up the information at the town office.

People are having a hard time finding jobs that pay a living wage and with the high gas prices it takes a toll on a family's budget. You can go to the library to do a variety of things. You can use the computer to do job searches, kids can do homework, you can get movies, there are many different programs for all ages, or take out a book. These services help those on a budget.

My office has networked with the school to try and help meet the needs of our kids so no one goes without the basic necessities of food and clothing. Kids do not do well in school when they are hungry and worried about being warm enough. The fire department sponsors a coats for kids at Christmas but my office always takes donations any time of year, so if you have clothes or things you are looking to get rid of that are in good condition please call my office and I will get back to you.

The new GAP computer system is ready to be implemented and will hopefully be a time saver for this office, as well as reduce the paper use thus being more environmentally friendly. I am in the process of evaluating the cost and benefits to make sure this will be a good fit for our town.

As always, this office tries to meet the needs of the client as well as stay within what has been budgeted. I want to thank the people that donate various things to my office so I can help with the many and varied needs people run into throughout the year. I am grateful to the people of Effingham for all that they do to make this a wonderful community to live in.

Respectfully Submitted,

Maureen S Spencer GAA 12/30/14

## Annual Report for Effingham Police Department 2014

The new Reverse 911 System was successfully used this year for the first time during an extended search for a missing Lakeview client. Residents were made aware by text and automated voice message that increased Law Enforcement and Search and Rescue activity was taking place in the area. A description of the missing client was provided with instructions for the message recipient should they observe the missing subject. I'm happy to report that the client was located unharmed after spending the night on Green Mountain.

Effingham Police Department congratulated part time Patrol Officer Mark Ciarfella on his appointment to the Madison Police Department as a full time Patrol Officer. He will continue to periodically serve as a part time patrolman with Effingham Police Department and we wish him the best of luck in his endeavors.

We welcome Officer Ugo Pinardi to Effingham Police Department as a part time Patrol Officer. Officer Pinardi is a full time certified Police Officer currently serving as a deputy with Carroll County Sheriff's Department.

We have seen a dramatic increase in the abuse of heroin and other pharmaceuticals in the area this year. Tightening Federal Drug Regulations and the subsequent unavailability of more commonly abused substances has lead to a state wide resurgence of heroin as the abused drug of choice.

Drug abuse adversely affects everyone in the community regardless of background. Incidents of Domestic Violence and theft increase proportionally with the abuse of narcotics.

Please report all suspicious activity to Effingham Police Department at (603)539-5380 or through the Dispatch Center at Carroll County Sheriff's Department at (603)539-2284.

The Effingham Police Department looks forward to another year providing Public Safety services to the people of Effingham.

## Effingham Dog Officer's Report for 2014

The Effingham Dog Officer handles all calls and complaints related to loose canines, dog bites, stray dogs (if collared and/or tagged or not), injured canines, and annoyance/ excessively barking dogs.

The Effingham Dog Officer does not have jurisdiction over felines or other animals.

Please do not bring stray animals found in other towns or jurisdictions into the Town of Effingham. Contact the appropriate authorities in the jurisdiction where the animal was located.

Contact the Effingham Dog Officer upon observing an unknown or stray dog in your area.

Please do not allow stray or unknown animals to interact with children. It is an unsafe practice as you cannot be sure of the animal's behavior or vaccination history.

Please be advised that feeding stray animals on your property can result in you being deemed the dog's owner.

I remind you to please have your pet collared and wearing his/her tags when out of your direct control. Should your pet stray or wander off, its collar will indicate that its shots vaccinations are up to date and provide Law Enforcement with a way to contact his/her owner. Every effort will be made to contact the animal's owner prior to transportation to Lakes Region Humane Society for housing.

Thank You and I look forward to serving as the Effingham Dog Officer in the coming year.

Timothy A. Butts

In 2014 the library continued to grow. New cabinets were added to the meeting room and the library was awarded a grant from the US Department of Agriculture, Rural Development, to complete the shelving in the Children's Room and shelving for the junior and young adult collections.

The biggest change at the library in 2014 occurred when Marilyn Swan, the long-time Library Director retired in February. Marilyn has been the director since 2004. She will be greatly missed. Terry Wheeler was hired as the new Library Director. Crystal Hoyt became the Assistant Library Director and Cristin Harkins was hired as the new Library Aide.

Thanks to town funding, grants and donations, the library is able to offer a wide selection of books, audio books, dvds, magazines, museum passes, and computer services, including wi-fi which can be accessed from the parking lot when the library is closed. Through affiliations with the NH State Library and other libraries throughout the state, we are able to offer the following services to patrons at reduced cost to the library:

- Bearcamp Valley Library Association (BVLA) Collection (a bi-monthly rotating collection of DVD's and audio books)
- Databases available to patrons through links on our website which include Ancestry.com and Heritage Quest.com Library editions as well as Britannica online.
- Interlibrary Loan which allows us to share our collection with other libraries in NH and have access to the collections of other libraries throughout the state.

The following library statistics for 2014 were taken from our library records:

Library Patrons Visiting in 2014: 4527

Total Books and Materials: 11799

Total Books and Materials added: 898

Total Books and Materials Lost or Deleted: 762

New Cards Issued: 76

Children's and Junior Book Borrowed: 775

Adult Books Borrowed: 2057

Audio Books Borrowed: 540

DVD's Borrowed: 4651

Laptops Borrowed and WIFI usage: 422

InterLibrary Loan In and Out: 930

Downloadable Users: 165

Downloadable Ebooks and Audios: 575

Passes Issued: 18

Reference Questions Recorded: 85

Adult Meetings 150

Adult Programs: 66 Attendees: 705

Children's Programs 61 Attendees: 314

In addition to the library materials and services available to patrons, the library offers both adult and children's programming throughout the year. Regularly-scheduled events in 2014 included: 1st Wednesday Movies (an eclectic mix); Knit and Crochet Group (who donated over 30 sets of hats and mittens to Ossipee Concerned Citizens); Storytime and Playtime for Little Ones, which provides an opportunity for children to socialize and engage in imaginary play using books, toys and manipulatives that foster pre-math, pre-reading, and small and gross motor skills; Krafty Kids (offering crafts and creative activities for children of all ages); and Writers' Night. Writers' Night is for those who write – music, poetry, prose, fiction, non-fiction - and for those who enjoy listening.

Special Programs that were offered in 2014 include: Tea and Downton Abbey; Explore Effingham Landscapes, a series of hikes and walks, and a presentation on recognizing invasive bugs that threaten our trees, "Bugs the Big 3", ( both part of the UNH Extension volunteer program *Speaking for Wildlife*); Stuffed Animal Sleepovers (including brunch with the librarians); the Summer Reading Program; an Easter Egg Hunt; Library Open House; A Pontine Theatre Holiday Presentation; and a Christmas Party with Santa. The Summer Reading Program for 2014 was FIZZ BOOM READ. The theme focussed on science, technology, engineering, and math (STEM), with an emphasis on science. The Museum of Science Boston presented Super Cold Science. Thanks to funding from the Friends of the Effingham Library and a grant from the Kids Books and the Arts Foundation, we were able to bring Jungle Jim's of Boston's "Mousetrap Science" production to the library as well.

We would like to thank our volunteers who gave over 400 hours of their time to the library in 2014. Thanks also to the Library Trustees for their dedication to the library, and to the Friends of the Effingham Library and Effingham Historical Society for helping to bring quality recreational and educational programming to the library.

We would especially like to thank our patrons and the residents of Effingham for your continued support of the library.

Thank you,

# **TITLE LXIV PLANNING AND ZONING**

## **CHAPTER 674 LOCAL LAND USE PLANNING AND REGULATORY POWERS**

### **Regulation of Subdivision of Land**

#### **Section 674:39-aa**

##### **674:39-aa Restoration of Involuntarily Merged Lots. –**

###### **I. In this section:**

(a) "Involuntary merger" and "involuntarily merged" mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

(b) "Owner" means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.

(c) "Voluntary merger" and "voluntarily merged" mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

(a) The request is submitted to the governing body prior to December 31, 2016.

(b) No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances.

VI. Municipalities shall post a notice informing residents that any involuntarily merged lots may be restored to premerger status upon the owner's request. Such notice shall be posted in a public place no later than January 1, 2012 and shall remain posted through December 31, 2016. Each municipality shall also publish the same or similar notice in its 2011 through 2015 annual reports.

Effingham Planning Board  
Annual Report 2014

The Planning Board conducted 12 regular meetings, on the first Thursday of each month, and 8 work sessions throughout the year.

Over the course of the year the Planning Board,

1. Updated the zoning ordinance with changes as passed at the 2014 Town Meeting;
2. Signed the updated master plan;
3. Presided over 4 hearings and 2 voluntary lot mergers;
4. Conducted lengthy review of procedural questions and requests for guidance which came before the board;
5. Developed proposed updates to the zoning ordinance, Sections 302 (Definitions), 402 (Lot Requirements), 707 (Lot of Record), 708 (Lot Density), 1105 (Building Permits) and 1402 (Recreational Vehicles);
6. Hosted an open house to which all town boards and the public were invited, with the goal of raising awareness of board vacancies and encouraging participation;
7. Continued research into a Capital Improvement Plan, which will be a priority for the board to complete in 2015; and
8. Reviewed proposed fee schedule changes with the zoning enforcement officer, also for further evaluation in 2015.

We look forward to continuing work on these and other planning initiatives important to Effingham in the year ahead.

Respectfully submitted,

Joanna Bull

## **Historic District Commission 2014 Annual Report**

2014 has been a year of continued revitalization and reorganization for the Historic District Commission. We began the year with five active members and the selectmen's representative, so a quorum has been easily achieved and regular monthly commission meetings have been conducted each month with the exception of March. In February, Ralph (Tom) Thompson resigned his seat on the Commission. In May, Jade McRae agreed to an appointment to the unexpired portion of Mr. Thompson's term and in October, Elaine Chick agreed to an appointment to a term ending in 2017. With those two appointments, the Commission achieved a full, active membership for the first time in at least the past few years. The Commission's two alternate positions, however, remained vacant throughout the year.

Under Article 15 of the Town of Effingham's Zoning Ordinance, the Commission is charged with ensuring the purposes of the Historic Districts. In addition, the Commission administers designated scenic roads within the town. Tasks range from recommendations to other town boards regarding projects that would aid in these purposes to public hearings related to applications for work on properties in the districts.

During the course of 2014, the Commission dealt with a varied docket of business, including the ongoing project to have signs erected on Province Lake Road (Route 153) delineating the boundaries of the two Historic Districts (the signs and posts are now in hand and will be installed as soon as possible in the spring!); working with the Board of Selectmen, Planning Board, and Zoning Enforcement Officer to ensure that properties in the Historic Districts go through the correct application and permitting process; responding to several inquiries by property owners regarding Historic District Regulations; approving two applications by property owners to undertake work on their properties; and working with the town's webmaster to update and revise the Commission's section of the town website to provide more relevant and up-to-date information on the Commission and its work.

Two other projects took up the remainder of the Commission's schedule for the year. First, the Commission proposed to the Planning Board some changes to Article 15 of the Zoning Ordinance. The proposed changes, which the Planning Board initially approved, pending the outcome of the required public hearing, would assist in streamlining the Commission and its workflow, as well as remove language from the article which has been found to be invalid. In addition, the proposed changes correct several mistakes of spelling and grammar. If the proposed changes receive final Planning Board approval, they will appear on the Town's official ballot in March of 2015 for approval by the voters. The second project has been a complete review of the Historic District Regulations, which led to a proposal by the Commission of several updates, corrections, and changes. As part of this process, two public hearings were held in September for the purpose of receiving questions and comments on the proposed changes. The second of those hearings was continued until October, at which time a final vote to approve the proposed changes was taken. The revised regulations were approved by the Commission in their entirety at the November meeting. In addition to official, certified copies which can be obtained from the Town Clerk's office, unofficial copies can also be obtained from the Selectmen's Office or by downloading the regulations from the Documents, Forms, and Applications section of the Town website.

With both recent and expected sales of properties in both the Lord's Hill and Center Effingham Historic Districts, the Commission continues to expect to be busier in 2015 than it has been in the recent past. The Commission meets the second Monday of each month at 7 p.m. at the Municipal Offices and we encourage all Effingham residents to attend a meeting to learn more about the Commission and its work. If you are interested in serving on the Commission, either as a full member or as an alternate, please do not hesitate to contact us.

Respectfully submitted,

Paul Potter  
Chair

Erik Jones  
Secretary

## Effingham Conservation Commission 2014 Report (ECC)

The Conservation Commission built a roof structure for the boat ramp picnic table on RT. 153. We encourage everyone to enjoy a picnic by the river this spring and summer.

We also sponsored an Earth Day Poster Contest for the Effingham Grammar School, with a theme of "Trees, what "wood" you do without them?" A nature book prize was awarded to the winner of each grade.

The yearly Roadside Clean-up took in 119 bags of trash, although this was less than last year's count, we made a good dent in the trash on the roadside. We encourage everyone to join our yearly "beautification" of our roads, and join us afterward for a noontime barbeque. **This year's cleanup is April 25<sup>th</sup>.**

ECC also produced a **Natural Resource Brochure** last year. If you haven't picked one up, please do so, they are available at the Library and Town Office.

Also ECC now has an expanded website on the Town website. Just look under the Town Boards drop-down and click on Conservation Commission.

For Milfoil cleanup this year, we only spent \$395.00 with a yield of Milfoil of 80 gallons, mostly from the Ossipee River. Because this invasive weed never seems to have any logic, we cannot say what this year's expense and yield will be.

We had Nicholas Coates as a guest at our December meeting. He discussed the advantages of joining the NHACC and explained their roll in lobbying the state, classes and information available through them.

We welcomed Bill Wrabel as an alternate member of ECC this year. If anyone might be interested in joining our town's conservation activities, please don't hesitate to attend a meeting. We meet the first Monday of each month at the Town Offices, at 6:30 PM.

Emelyn Albert  
Chair.

# STATE OF NEW HAMPSHIRE

## Executive Council

JOSEPH D. KENNEY  
EXECUTIVE COUNCILOR  
DISTRICT ONE

STATE HOUSE ROOM 207  
107 NORTH MAIN STREET  
CONCORD, NH 03301  
(603) 271-3632

January 2015

As I start my 2nd year of service to you and the State of New Hampshire in Council District 1, I am reminded of the wonderful 35 years of service that the previous Councilor Raymond S. Burton gave to the people of New Hampshire. He will be deeply missed but not forgotten.

Governor Maggie Hassan has just been re-elected and I will work with her and the NH Legislature to solve problems, large or small, for the people of New Hampshire. Economic development is my top priority for the Northern most Council District and I will work with community and business leaders to assist in the creation of jobs and economic opportunity. County and regional economic development councils coupled with community action agencies will be putting forth new initiatives to carry out this work and I look forward to working with them.

The NH Congressional Delegation - Senator Jeanne Shaheen, Senator Kelly Ayotte, Congresswoman Annie Kuster and Congressman Frank Guinta in joining with other New England states and Canadian officials can cause new resources and partnerships to be created to support job growth.

2015 will start another year of the 10-year NH Highway Transportation Planning process working through the Regional Planning Commissions. National Infrastructure Investments (as known as TIGER Discretionary Grants), provide a unique opportunity to invest in road, rail, transit and port projects. The Transportation Alternative Program (TAP) grants replace the Transportation Enhancement (TE) for Recreational Trails, and Safe Routes to School. Contact William Watson at NH DOT for details at 271-3344 or [bwatson@dot.state.nh.us](mailto:bwatson@dot.state.nh.us).

The 2015 session of the NH House and Senate will be a trying time with proposed cutbacks yet still providing and meeting constitutional and statutory needs. Be watchful of proposed legislation passing costs on to the county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested please send your resume to Governor Maggie Hassan, State House, 107 North Main Street, Concord, NH 03301 attention Jennifer Kuzma Director of Appointments/Liaison or at (603) 271-2121. A complete list is available at the NH Secretary of State website at [www.sos.nh.gov/redbook/index.htm](http://www.sos.nh.gov/redbook/index.htm).

My office has available informational items: NH Constitutions, tourist maps, consumer handbooks, etc. I periodically send, via email, a list of my schedule for the week. Send me your email address to be added to the list if you would like at [Joseph.Kenney@nh.gov](mailto:Joseph.Kenney@nh.gov).

Contact my office any time I can be of assistance to you.
