Pine River Road Paving 2025 RFP

The Town of Effingham, NH is seeking qualified contractors to submit proposals for reclaiming and paving Pine River Road in 2025.

The Board of Selectmen will conduct a site walk on Pine River Road for all interested bidders on October 4, 2024, at 11:00 a.m.

A mandatory contractor meeting to address any questions from interested parties will be held at the Effingham Municipal Office, 68 School Street, Effingham, NH on October 15, 2024, at 11:00 a.m.

Funding of this contract is contingent on voter approval by vote at the 2025 Annual Town Meeting. The award of the contract will be made by the Board of Selectmen at their regularly scheduled meeting following the Town Meeting. A performance bond in the amount of 100% of the proposed price will be required within fifteen days of being awarded the contract.

The Board of Selectmen reserves the right to reject any or all proposals wholly or in part and to waive any minor proposal requirements, irregularities, and informalities in the bid/proposal process to serve the best interest of the Town. The Board may formally vote to accept any bid or proposal, even though it may not be the lowest offered.

All work will be performed to New Hampshire DOT Specifications. Pricing must use the NH DoT Asphalt Cement rates and invoice at the rate applicable at the time of installation.

Proposal Instructions

All proposals must be submitted in a sealed envelope plainly marked "Pine River Road Paving Project" addressed to the Town of Effingham, Board of Selectmen, 68 School Street, Effingham, NH 03882.

Deadline for proposals is 2:00 PM Tuesday, November 12, 2024.

Proposals must include:

- Name and address of firm, individual submitting proposal and contact information (phone and email address).
- Quantity, unit price, and total price for each step, and total project price.
- A qualification statement: State certification, experience that may apply such as similar projects of size and scope completed in the last five (5) years, references etc.

- Proof of liability coverage for a minimum amount of one million dollars (\$1M) per occurrence and two million (\$2M) dollars aggregate and proof of worker's compensation insurance must also be included with each bid.
- Signed proposal instructions – 2 pages.
- Scope of work and a signed bid sheet for each proposal.

SCOPE OF WORK

From the starting location Elm Street to the Ossipee town line.

Approximate roadway length 2.1 miles, 22' wide, and approximately 6" – 10" deep depending on existing asphalt depth. There are 13 pavement cuts.

- Grade and compact with water a final grade of no less than 2% no greater than 3% from center.
- Roadway width 22' at a minimum.
- Reclaim approximate roadway length. Approx. 2.1 miles
- Base Binder 2" compacted, ¾" NH DoT Binder. Approx. 1.05 miles
- Pave wearing coarse 1 ¼" compacted, ½" NH DoT. Approx. 1.05 miles
- Sawcut Butt Joints for roads and for all asphalt/paved driveways.
- Roadway surface preparation to include sweeping and tack coating (NH DoT Specs).
- Weight slips
- Traffic control flaggers and appropriate signage.
- Work to meet or exceed New Hampshire Department of Transportation Specifications.
- Shouldering, 18" on each side
- Apply gravel/stone, where needed
- Work to be performed between May 1, 2025 and October 15, 2025.
- Completion no later than October 15, 2025.

Fine grading and compaction with water of gravel to be performed by paving contractor.

The Contractor certifies that they are not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for this contract.

The Contractor agrees to fully guarantee all labor and materials for one (1) year, meaning repair or replace at no charge to the Town of Effingham any defects, deficiencies, or failures.

Final Payment: Payment will be made after all the required work has been performed and following local inspection or verification of adequacy.

The person signing this quote has reviewed the scope of work in this Request for Proposal. He or she is duly authorized and has legal capacity to execute and deliver this proposal:
