The Town will consider a vendor if they are the only submission, provided that the procedural steps required by this ordinance have been followed and documented by the Town's soliciting authority. If specification changes are made prior to the close of the Bidding/RFP process, the specifications shall be amended and notice shall be sent to any vendor/contractor who already submitted a bid/proposal, and a new bid process shall be initiated.

2) **EMERGENCY PURCHASES:** In case of an emergency, the Board of Selectmen may award contracts and make purchases for the purpose of meeting a public emergency without complying with the bid process.

- d) Police special investigative costs where disclosure may jeopardize an investigation;
- e) Maintenance contracts with manufacturers of equipment or software purchased;

Reimbursement arrangements are not allowed under this policy.

It shall be unethical for any Town official or employee involved in making procurement decisions to have personal investments, either directly or indirectly, in any business entity that will create a substantial conflict between their private interests and their public duties.

It shall be unethical for any person to offer, give, or agree to give any Town of Effingham official or employee, or for any Town of Effingham official or employee to solicit, demand, accept, or agree to accept from any vendor or business, a gift or gratuity in any amount in connection with any decision, approval, disapproval, or recommendation concerning a solicitation.
